

Information for participants:

The Local Organizing Committee, the International and the Scientific Committees are honored to welcome you and thank you in advance for your valuable presence!

First, we kindly ask you to carefully check the Conference program ([click here](#)). Please, note the day, time, and space where you will participate.

Below, we prepared some **general information and suggestions**:

- The Conference will take place on the Zoom platform; make sure you have installed the most up-to-date version of the program.
- A good internet connection is essential! Check, in advance, if your connection is strong and stable; if possible, use cable connection and turn off the Wi-Fi.
- Use a desktop or laptop computer; tablets or cell phones/mobiles are less user-friendly in Zoom features: to turn on or off both either the micro or the camera, you only can see a reduced number of participants per screen, which makes interaction difficult.
- Use your real name while entering in the Conference ZOOM sessions, to avoid security and safety problems.
- The Conference organization prepared a tutorial with basic Zoom tips for participants (click here: <https://7thsociodramaconference.weebly.com/info-participants.html>)
- This is an active conference! There will be times when you will have to get up and move, please be aware of this and wear some convenient and comfortable clothing.
- Try to be in a space where you can move without constraints and may not have interruptions.
- Have close to you some liquid refreshments, juices and snacks, something to take notes, blank sheets, bold colored markers, tissues, etc.; if you have, keep some hats, scarves, colored cloths at hand - they may be useful for you.

- We ask that you enter each session 10 minutes in advance. We appeal to everyone's strict punctuality!
- The maximum number of participants per workshop will be of 30. The filling of vacancies follows the order of registrations in the sessions.
- You will receive the link of each session where you will participate the day before.

Remember:

- the number of participants per session is limited;
- the Schedule of the programme follows the Portuguese time zone (GMT +1); you need to know the gap between your time zone and Portugal; you may want to consult, for instance, this website: <https://www.timeanddate.com/worldclock/personal.html>
- If you need, you can contact by WhatsApp: Léa Kellermann: +351 964 052 295; Liliana Ribeiro: +351 933 420 637; Margarida Belchior: + 351 965 799 957; Nuno Amarante: +351 964 017 842

We are already waiting for you!

On behalf of,

The Local Organizing Committee,
